

Help Support Catholic Relief Services in their efforts to
aid the victims of Hurricane Irma!

Any student who donates at least \$5 may be **OUT OF UNIFORM**
on Monday, September 18th.

*All funds collected will be donated directly
to Catholic Relief Services.*

We have also “adopted” a school in the Archdiocese of Houston named Assumption School which was affected by Hurricane Harvey. I have reached out to their Principal, and I am waiting to hear back with information regarding their greatest needs at this time.

In the coming weeks we will share their requests and once again ask for your generosity to assist them in replacing some of what was lost in the flooding.
