Hello Program B families!

We have been busy bees here at the preschool! We've been learning about the letters Pp and Bb, working on patterns and sequencing, and promoting our pre-reading skills. We continue to work on our fine motor control and number awareness, as well.

We have an exciting month ahead of us, full of giving thanks and more discoveries in learning!

Operation Christmas Child

Our service project will run through November 18th. We look forward to seeing the gifts pile higher and higher as the children's eyes light up in understanding of the love they are sharing with less fortunate children. As always, please feel free to contact us with any questions.

Sincerely,

Mary Cote
