

December 1, 2009

Dear Parents,

This month our special color is green. We will be working on many projects for Christmas. These projects may be used as decorations in our classroom. They will be sent home before Christmas vacation. The children will also be practicing songs for Christmas. Christmas is a special time to talk about the birth of Baby Jesus. We will also be discussing the feast day of Saint Nicholas, which is on December 6th. May the preschool children and their families have a very Merry Christmas and a Happy New Year!
