

January 2010

Dear Parents,

Our special color for the next few weeks will be BLUE and our shape will be a SQUARE. The preschool children will be working on many fun activities and projects that involve this color and this shape. We hope that you and your families had a very Merry Christmas and we wish you a happy and healthy New Year.

SPECIAL THANKS

Thank you to the preschool children and their families for their kindness and generosity at Christmas and throughout the school year.

JANUARY BIRTHDAYS

Eve.....January 1st
