Date: _____ January 2010

Dear parents,

It has a busy first week of January here at the preschool! We worked on the letter Mm for mitten and milk! Next we'll learn about the letter Ww and explore weather and winter. Coming up are the letters Ii and Cc. I is for igloo and icicle, and C is for cold!

We will soon learn about Martin Luther King, Jr. and treating other people fairly. We'll continue our development of number sense in Math. In science, we will be investigating melting and freezing!

Brrr...

We can't wait to play in the snow! Once the temperature reaches above 32 degrees, we will be dashing outside to sled down our hill, build snowmen, and make snow angels. We appreciate your attention to sending labeled snow pants, boots, hats, and mittens to school with your children.

Sincerely,

Mary Cote and
Mary Rohanna
