Program C

Dear Parents,

With a new year upon us, we excitedly embark on new adventures in learning. Alf, our latest Superkid, loves to go on adventures... but he always has ants trailing behind him! To expand our learning, we also imagined our own adventures as well as creating abstract art. Next week, we'll explore **A**ntarctica and **A**frica! After Alf, we'll meet Doc, and she has lots to teach us, too.

We have also been learning about Dr. Martin Luther King, Jr. and all of the lessons he helped to teach people. We read about his dream and how he taught people to fight with words instead of fists or guns. We worked together, discovered our differences, and discussed our own dreams. Our class is full of wonderful friends and loving hearts!

Sincerely,

Mary Cote and Mary Rohanna
