

Classroom Times

February 2010

Program C

Dear Parents,

We have had a fantastic month of February so far! We've been learning about love by sharing what it means to love someone and how to show our love to our families and friends. Our Superkid Doc has helped us learn about the letter Dd and its sound. We have even started blending sounds! We are now moving on to Sal. Sal loves sports and has lots of fun in store for us.

In math, we have been working with bar graphs and organizing information. In other areas of the curriculum, we are starting to write our last names and we continue to focus on both uppercase and lowercase letters. We are also covering Lent and the concept of doing the right thing even when it is hard. We are very proud of your wonderful children.

Sincerely,

Mary Cote and Mary Rohanna

Thank you to everyone who has supported St. Mary Preschool through donations to service projects, attending school events, and any other number of ways.

Stay Tuned...

- Show and tell starts soon.
- Progress reports will be sent home this week.
