

March 2010
Program A Newsletter

Dear Parents,

During the month of March, we will continue counting and tracing the numbers 1-5 and review colors and shapes. Some daily projects will not be coming home as they will be used in our special end of the year book.

Interested parents will be able to continue coming into class, to read a favorite story to the class (10:05-10:20). They may come in the 2nd and 3rd Thursday of each month. Parents may sign up to read on the coat room bulletin board.

We have been talking about Lent with the children. This special time, as well as Easter, will be the focus of some of our daily projects.

SPECIAL THANKS

- Thanks to Tessa's mom and Gianni's mom for being our parent readers in February.
- Thank you for your donations to the school from the February wish list.
- Thank you for the beautiful basket of Valentine treats.
