March 2010

Program C

Dear Parents,

March came in like a lion, and we're hoping it will go out like a lamb! We've been busy at the preschool learning about sport safety, good sportsmanship, and course the letter Ss sounds with our Superkid Sal (short for Salvador). He knows Spanish, and we learned that "Buenos Dias" means "good day" or "hello." After Sal, we will be introduced to Lily. She has lots of learning in store for us, too.

With St. Patrick's Day and Easter approaching, we will be doing some great crafts and making important preparations. From shamrocks and rainbows to eggs and Resurrection Rolls, we will have a lot going on - and all of it good! Let's not forget that spring is right around the corner, too!

Sincerely,

Mary Cote
