Teacher: _____ Miss Cote and Mrs. Rohanna

Date: _____ June/Summer 2010

Dear Parents,

Can you believe we have reached the end of the school year? Time flies! Certainly, though, your children are the evidence of the months passing. The students have all grown physically, socially, and academically. It's truly a special time in their lives as we see them make friends and gain an ever-growing understanding of the world around them. They are beautiful people and they make us proud.

After our current bug unit, the next and last theme will be the ocean. This is in preparation for our beach day! We continue to build on previous knowledge of patterning and fine motor control in various crafts. In addition, we've talked about the special things that happen in the month of June. From playing outside later in the day to eating ice cream, the children had lots of great things to share about what they do in June. Everyone was very excited that it is all starting!

We'd like to give a huge thank you to Miranda Watson for everything she has done this year as our room parent for Program B. Many thanks also to all of the parents for their continued support of St. Mary Preschool in so many ways.

We wish everyone a happy and healthy summer with your families and friends! To the families moving on to kindergarten, you will be missed. We wish you all the best, and may God bless you!

Sincerely,
Mary Cote
Mary Rohanna
