

Classroom Times

June 2010

Program C

Dear Parents,

Can you believe we've already reached the June newsletter? We have had a wonderful year at the preschool. Your children have grown in leaps and bounds. From strides in social development to performing academic routines like they were born doing them, the students continue to make us proud.

We've had a great year with the Superkids. We even had a surprise visit from the real life Doc, Sal, and Alf! We've learned lots of valuable lesson, including how to get along with others, letter sounds, and blending. With kindergarten coming up, the children are ready!

With our warmest regards, we thank you for sending your children to St. Mary Preschool. To the families moving on, we will miss you dearly. To all families, have a marvelous summer with your fabulous children, and enjoy kindergarten!

May God bless you always,

Mary Cote

Mary Rohanna

Summer Birthdays

June 12 - Luke

July 21 - Kieren

July 31 - Gianna

August 20 - Mabelle

Announcements

We'd like to give a huge thank you to Mary Beth Connors for everything she has done this year as our room parent for Program C. Many thanks also to all of the parents for their continued support of St. Mary Preschool in so many ways.

Check online soon for more photos from Program C!
